

Name _____ Class _____

Analysis Worksheet 1

Purpose (Why we're doing the instruction)

It is important to know why we are teaching what we are teaching, including how the student or others will benefit from the knowledge or skills involved.

	Question To Ask The Teacher	What The Teacher Answers
Why	Why is it important that the student learn this information?	So students can understand how the Industrial Revolution influenced the people at that time and how it has impacted our lives today.
